Workstation System

“ Optimize your Workspace from Top to Bottom ”

Whether you are looking for a basic workbench with two legs and a top, or a specialized table that is stationary, mobile, or adjustable in height, you will find a solution for each and every application.

You will appreciate their versatility as they evolve with your changing needs by simply adding any of the numerous easy-to-install accessories.

See how it is easy to build you workstation.

WSC2105

1 – Work Surfaces

Laminated Wood

Top for general industrial applications.

Made with varnished hardwood slats.

Good impact resistance.

Plastic Laminated

Ideal for assembly, quality control and packaging applications.

Easy to clean.

Resistant ABS/PVC Plastic Laminated

Ideal for assembly stations.

Applications using solvents, oils or other chemical products.

Painted Steel

Industrial, maintenance, repair or assembly applications.

Stainless Steel

Applications using solvents, oils or other chemical products.

Industrial, maintenance, repair or assembly applications.

Dissipative

Ideal for assembly or electronics inspection stations.

Resistance point to point and point to ground between 10^6 and $10^9 \Omega$.

2 – Under The Work Surface

Here are some of the possibilities.

Leg

“Inversed” hat shaped top for added strength.

Equipped with knockouts to allow installation of electrical outlets.

Drawer Unit

Drawers on precision ball bearing slide system.

Several drawer and unit heights.

100 lb Cabinet

Drawer on precision ball bearing slide system assures easy, consistent opening without getting wedged.

100% access to drawer contents.

Many proposals.

400 lb Cabinet

Applications that require more flexibility or capacity.

Lifetime warranty on the drawer rolling mechanism.

Wide-range of dimensions and accessories.

Doors

Offered in both solid metal or glass; doors close and lock the area beneath the work surface.

Smooth, quiet movement.

CPU Support

Handle allows width of plastic side support to be adjusted.

Customize your work centers according to your needs for maximum output.

3 – Above the Work Surface

Here are some of the possibilities.

Riser Shelf

Tilttable Shelf

Overhead Cabinet

Louvered Panel

Plastic Bin Rail

Computer Holder

Layout and position of the majority of the accessories can be changed without tools. Components are installed by simply tightening handles or by hooking them onto the uprights.

Multi-Purpose Frame

WSC0137

The support may be installed on Rousseau workbenches as well as most workbench tops offered on the market. It offers infinite possibilities to increase efficiency and productivity.

Multi-Purpose Stand

The multipurpose stand provides easy access to tools and equipment. It increases productivity and reduces risk of injury.

Available mobile or stationary.

Mobile Workbench and Cabinet

100 lb capacity per drawer assures easy and consistent opening without getting wedged thanks to a precision ball bearing slide system.

Equipped with high-quality 4" casters and available in single, double and triple versions.
